November 2010 Newsletter

What's New on the Police Front

REMINDER:

After November 1, 2010 if an officer responds to a false alarm activation a letter of warning will be left with the subscriber informing them that this will be their only warning. If an officer responds to the same subscriber, after a warning, a bill with a \$50 service fee will be sent to the subscriber by the City of Wilmington Finance Department. This effort is an attempt to reduce the number of false alarms that officers respond to on a daily basis and to encourage alarm owners to keep their systems working properly.

The weekend of November 6-7, 2010 was a busy one for the Southeast Patrol Division. On Saturday, officers assisted with the Festival Latino at Hugh Macrae Park. There was a huge turnout of citizens and vendors. The Wilmington Police Department participated with a Recruiting/Crime Prevention Booth, a WPD Motorcycle, Dodge Charger Police Car and a Mustang Traffic Vehicle. The hit of the day seemed to be the motorcycle, the officers and Officer Friendly. If you missed the festival this year, please join us in 2011 for good times and good food. Here are some photos from the event:

On Sunday, the Wilmington Police Department participated in the annual Jr. League of Wilmington Touch-a-Truck event at Mayfaire Town Center. This event allows young children to get up close to vehicles they see everyday and teach them not to be scared. Units on display came from WPD (including SABLE), the Wilmington Fire Department, Ambulances, and heavy construction equipment. There was a large turnout and everyone is reported to have had a great time.

Due to a crime decrease in October, District 5 has seen a decrease during the last 12 out of 13 months. The largest increase being related to motor vehicle thefts and B&E Auto/Larceny of GPS devises, Ipods, digital cameras and other small electronic items. The Wilmington Police Department continues to see incidents involving unsecured vehicles falling victim to these crimes. Please secure your vehicles and valuables! As for the motor vehicle thefts, the majority of these are related to the thefts of scooters. The Police Department is addressing this issue and

more information will follow as we work on methods to decrease this crime. In the meantime, if you have a scooter, or know someone who does, please encourage them to secure same in a manner that detours its theft.

Summarized below are notable arrests made by officers for crimes committed in District 5.

Only one word comes to mind when reviewing these statistics, WOW! Great job on part of the residents and officers of District 6, you have a lot to be proud of with a 31% decrease in crime. Your district had the lowest crime rate in the city for the month of October and the third consecutive month of a decrease. Even though November has started with a bang, please do not become overly concerned and most of all let's not give up. The month is young and overall everything is still looking good for another month's decrease. Please remember to keep locking your vehicles and hiding your valuables out of sight. When you leave to go out of town on business, or during the upcoming holiday season, notify a neighbor to watch your property, collect your mail, newspapers, etc. Remind others to be aware of suspicious out of place person(s) and contact 911 immediately to have an officer investigate. Also, please notify the SE Patrol Division at (910) 341-0111 to complete a residence check form. This form is circulated among the district officers and let's them know to keep special checks on vacant properties for suspicious activity. With everyone's continued cooperation, collaboration and communication we can keep criminal activity under control by making it harder for the criminal to strike. Additionally, your calls and information related to recent criminal activity in District 6 are greatly appreciated. Please do not stop calling!

Hope everyone has an enjoyable Thanksgiving this year! We have so much to be thankful for with crime statistics this low.
